Early Years

Key Stage One

Key Stage Two

The need to protect children from the sun's UV rays has been well publicised in recent years. Our range of gazebos, lodges and pergolas are ideal for giving shelter to play areas, outdoor classrooms and parents' waiting areas. All items are made to order and other sizes are available. Optional reed roof, trellis panels, seating, tables and blinds are also available. Please ask for details.

Product Description

With timber roofing, 3x standard infill panels, 2x log balustrade panels and standard raised decking. Also features optional seating and weather blinds.
